Arbeitsgemeinschaft Getreideforschung e.V.
Schuetzenberg 10 • 32756 Detmold
Telefon: +49 (0) 52 31 61664-0 • Fax: +49 (0) 52 31 20 50 5
E-Mail: info@agf-detmold.de • www.agf-detmold.de

Place and time of exhibition

The exhibition will be held in combination with the 72nd Milling-Technology Convention and Harvest Information from September 14th – 15th 2021 at the exhibition hall of the Association of Cereal Research, Detmold, Schuetzenberg 10, Phone: 0049 5231 61664-0, Fax: 0049 5231 20505, E-Mail: info@agf-detmold.de.

Opening hours

Every Day: 8.30 a.m. - 6.30 p.m.

Registration

For registration please use the enclosed registration form, which must be completely filled out. By signing the registration form you accept exhibition conditions. A copy of the form will remain with the registering company. Special requests regarding stand dimension and site will be considered as far as possible.

Insurance

The exhibition management will supply insurance against fire, theft and burglary in the week of the meeting/exhibition, if needed. Please note on the registration form.

Booth fee

The booth fee is 120 € per m². The minimum size of a stand is 10 m².

Members of the Association of Cereal Research receive a reduction of 30 % on the above mentioned booth fee.

Terms of payment

Booths will be allocated only after payment on account of 50 % of the stand fee after invoice is received. If a registered stand is cancelled, reimbursement is only possible if that booth can be re-let.

Set-up- and pulling down of the Booths

Building up of the booth can begin on Monday of the conference week, at 7.30 a.m. Exhibitors who want to begin earlier are requested to inform the exhibition manager.

The building of the booths must be ended on Monday at 10:00 p.m. It is not allowed to damage the walls or the floors, i.e. nails and other fixing-devices. The exhibition management will claim damages from the exhibitors.

Tables, chairs and carpets floor are in limited numbers available. In case of need, please note it on the registration form.

For transportation, two lifting trucks (1t) are available. Other ways of transportation have to be organised by the exhibitor himself.

It is not allowed to pull down the booth before the end of the meeting. If this should be the case, we will be forced to penalize you and recharge you the full price of the booth.

Lighting and high voltage

Special installations for individual stand-lighting or the power for small units and gears are paid by the exhibition company. Power supply up to 8 kW is available. High voltage consumption must be requested on the registration form.

Clearing customs

For the foreign exhibitors it is advisable to use the custom paper Carnet ATA for importing objects for the exhibition. The Carnet ATA must be signed by your local custom house.
